Chapter 1 by Seth Andrus

Before I actually start writing I should say this:

This story is for a good friend of mine. She moved away before we could even begin writing this. And she helped me with a lot, I would feel bad not putting her name on the book. And even though it's been a few years, and she may have forgotten me I can never forget her. So this is for you Grace. And I hope it's just as funny and wonderful as you thought it would be.
